JULY 2021

8 Lively Marlborough Sauvignon Blancs Under \$20

by MaryAnn Worobeic
July 29, 2021

There are two good reasons to stock up on refreshing and aromatic 2020 Sauvignon Blancs from NZSB. First off, 2020 had a long, dry growing season... The whites from this year are remarkably concentrated in flavor, making them memorably intense. You'll want to enjoy these beauties for the next couple of years, including the noteworthy wines in this week's selection.

Three Brooms

"Fragrant and Fresh, with Lemongrass and Celery Leaf details on a light, fresh frame, with plenty of pops of flavor from the intense Ruby Grapefruit and Lime Sherbert notes."

~MaryAnn Worobeic, July 29

Ranga.Ranga.

"Lip-smacking, juicy flavors of Key Lime Pie, Lemon Curd and Lemon Verbana mingle with a thread of saline and a lingering Guava detail."
