GREAT VALUE

Arona Sauvignon Blanc 2022

★★★★☆ (3 stars)

Marlborough, New Zealand, \$16

This sauvignon blanc shows the raciness we've come to expect from New Zealand savvie, without the vegetal jalapeño notes we sometimes get. Expect a fruit salad on the palate: mango and passion fruit join apricot and tart red currants. Each time I came back to my glass, the melange of flavors shifted to something new and delicious. Pair this with any seafood dish. Certified sustainable. Alcohol by volume:
